

## INDEX OF TABLES AND FIGURES

## TABLES

## HUNGARIAN LABOUR MARKET

Table 1: The number of respondents declaring a job abroad in the Hungarian labour force survey .....	21
Table 2: The number of inactives aged 15–64 by gender and the reason for inactivity .....	26
Table 3: Net and real earnings calculated with the family tax relief, 2015 .....	31

## IN FOCUS

Table 2.1.1: Factors affecting the likelihood of migration potential by timeframe of migration .....	56
Table 2.1.2: Distribution of destination countries among those planning either a short- or a long-term labour migration or emigration ...	57
Table 2.1.3: Factors influencing the likelihood of choosing a specific destination country by timeframe of migration in the case of Austria, Germany, and the United Kingdom .....	58
Table 2.2.1: Factors associated with the likelihood of living abroad among 20–59 year olds .....	66
Table 2.2.1.1: Economic activity between 2008 and 2015 among the 16–64 year olds (percentage) .....	71
Table 2.2.1.2: Active workers by main industry sectors between 2008 and 2015 (percentage) .....	72
Table 2.3.1: Commuting and non-commuting labour migrants (percentage) .....	76
Table 2.3.2: Goodness-of-fit parameters of the models .....	78
Table 2.3.1.1: The number of families / households raising children in Hungary and the number of children by parents' migration status .....	88
Table 2.4.1: Competing risk models (subhazard rates) – out-migration	95
Table 2.5.1: Mean values of factors determining real wage gain .....	99
Table 2.5.2: The effect of some control variables on the probability of working abroad .....	102
Table 2.7.1.1: Main types and characteristics of public policy programmes promoting return migration .....	117

Table 2.7.1.2: Return, reintegration, and retention initiatives in Eastern Europe .....	118
Table 3.1.1: The labour market indicators of foreign citizens, the foreign-born and the total population aged 15–64 (per cent) .....	125
Table 3.1.2: The impact of foreign citizenship and foreign birthplace on the chance of being employed in the population aged 25–64 ....	132
Table 3.1.3: Factors explaining the chance of being employed in the 25–64 age group of the foreign born population .....	133
Table 3.1.1.1: Employment rates according to place of birth (percentage) .....	137
Table 3.1.1.2: Results of the Oaxaca–Blinder decomposition (effects in percentage points) .....	137
Table 3.1.2.1: Employment in the fastest growing European labour markets and in Hungary .....	139
Table 3.1.2.2: The employment rate of immigrants compared to the native population in 2008 .....	141
Table 3.2.1.: Summary of empirical findings .....	147
Table 3.3.1: Stylized facts .....	153
Table 3.3.2: Determinants of linguistic assimilation .....	155
Table 3.3.3: Determinants of labor market integration .....	157

**POLICY TOOLS**

Table A1: Expenditures and revenues of the employment policy section of the national budget, 2011–2015 (mHUF) .....	176
---	-----

**STATISTICAL DATA**

Table 1.1: Basic economic indicators .....	181
Table 2.1: Population .....	183
Table 2.2: Population by age groups, in thousands .....	183
Table 2.3: Male population by age groups, in thousands .....	185
Table 2.4: Female population by age groups, in thousands .....	185
Table 3.1: Labour force participation of the population over 14 years, in thousands .....	186
Table 3.2: Labour force participation of the population over 14 years, males, in thousands .....	187

Table 3.3: Labour force participation of the population over 14 years, females, in thousands .....	188
Table 3.4: Labour force participation of the population over 14 years, per cent .....	189
Table 3.5: Labour force participation of the population over 14 years, males, per cent .....	190
Table 3.6: Labour force participation of the population over 14 years, females, per cent .....	191
Table 3.7: Population aged 15–64 by labour market status (self-categorised), in thousands .....	192
Table 3.8: Population aged 15–64 by labour market status (self-categorised), per cent .....	193
Table 4.1: Employment .....	194
Table 4.2: Employment by gender .....	195
Table 4.3: Composition of the employed by age groups, males, per cent .....	196
Table 4.4: Composition of the employed by age groups, females, per cent .....	196
Table 4.5: Composition of the employed by level of education, males, per cent .....	197
Table 4.6: Composition of the employed by level of education, females, per cent .....	197
Table 4.7: Employed by employment status, in thousands .....	198
Table 4.8: Composition of the employed persons by employment status, per cent .....	198
Table 4.9: Composition of employed persons by sector, by gender, per cent .....	199
Table 4.10: Employed in their present job for 0–6 months, per cent .....	199
Table 4.11: Distribution of employees in the competitive sector by firm size, per cent .....	200
Table 4.12: Employees of the competitive sector by the share of foreign ownership, per cent .....	201
Table 4.13: Employment rate of population aged 15–74 by age group, males, per cent .....	201
Table 4.14: Employment rate of population aged 15–74 by age group, females, per cent .....	201

Table 4.15: Employment rate of population aged 15–64 by level of education, males, per cent .....	202	Table 5.19: Employment ratio of participants ALMPs by gender, age groups and educational attainment for the programmes finished in 2015, per cent .....	219	Table 10.1: Strikes .....	242
Table 4.16: Employment rate of population aged 15–64 by level of education, females, per cent .....	203	Table 5.20: Distribution of the average annual number of those with no employment status who participate in training categorised by the type of training, percentage .....	219	Table 10.2: National agreements on wage increase recommendations ..	242
Table 5.1: Unemployment rate by gender and share of long term unemployed, per cent .....	204	Table 5.21: The distribution of those entering training programmes by age groups and educational level ..	220	Table 10.3: Single employer collective agreements in the business sector .....	243
Table 5.2: Unemployment rate by level of education, males .....	205	Table 6.1: Annual changes of gross nominal and net real earnings ...	221	Table 10.4: Single institution collective agreements in the public sector .....	243
Table 5.3: Composition of the unemployed by level of education, males, per cent .....	205	Table 6.2.a: Gross earnings ratios in the economy, HUF/person /month .....	222	Table 10.5: Multi-employer collective agreements in the business sector .....	243
Table 5.4: Unemployment rate by level of education, females .....	206	Table 6.2.b: Gross earnings ratios in the economy, per cent .....	223	Table 10.6: Multi-institution collective agreements in the public sector .....	243
Table 5.5: Composition of the unemployed by level of education, females, per cent .....	206	Table 6.3: Regression-adjusted earnings differentials .....	224	Table 10.7: The number of firm wage agreements, the number of affected firms, and the number of employees covered .....	243
Table 5.6: The number of unemployed by duration of job search, in thousands .....	208	Table 6.4: Percentage of low paid workers by gender, age groups, level of education and industries .....	225	Table 10.8: The number of multi-employer wage agreements, the number of affected firms, and the number of covered companies and employees .....	244
Table 5.7: Registered unemployed and LFS unemployment .....	210	Table 7.1: School-leavers by level of education, full-time education ...	228	Table 10.9: The share of employees covered by collective agreements, percent .....	244
Table 5.8: Composition of the registered unemployed by educational attainment, yearly averages .....	211	Table 7.2: Pupils/students entering the school system by level of education, full-time education .....	229	Table 10.10: Single employer collective agreements in the national economy .....	245
Table 5.9: The distribution of registered unemployed school-leavers by educational attainment, yearly averages, per cent .....	211	Table 7.3: The number of full time pupils/students by level of education .....	230	Table 10.11: Multi-employer collective agreements in the business sector .....	246
Table 5.10: Registered unemployed by economic activity as observed in the LFS, per cent .....	212	Table 7.4: The number of part-time pupils/students by level of education .....	230	Table 11.1: Family benefits .....	247
Table 5.11: Monthly entrants to the unemployment register, monthly averages, in thousands .....	212	Table 7.5: Number of applicants for full-time high school courses .....	231	Table 11.2: Unemployment benefits and average earnings .....	247
Table 5.12: Selected time series of registered unemployment, monthly averages, in thousands and per cent .....	213	Table 8.1: The number of vacancies reported to the local offices of the NFSZ .....	232	Table 11.3.a: Number of those receiving pension, and the mean sum of the provisions they received in January of the given year .....	248
Table 5.13: The number of registered unemployed who became employed on subsidised and non-subsidised employment .....	214	Table 8.2: Firms intending to increase/decrease their staff .....	233	Table 11.3.b: Number of those receiving pension, and the mean sum of the provisions they received in January of the given year, from 2012 .....	248
Table 5.14: Benefit recipients and participation in active labour market programmes .....	215	Table 9.1: Regional inequalities: Employment rate .....	234	Table 11.4.a: Number of those receiving social annuities for people with damaged health, and the mean sum of the provisions they received after the increase, in January of the given year .....	249
Table 5.15: The ratio of those who are employed among the former participants of ALMPs .....	216	Table 9.2: Regional inequalities: LFS-based unemployment rate ...	235	Table 11.4.b: Number of those receiving social annuities for people with damaged health, and the mean sum of the provisions they received after the increase, in January of the given year, from 2013 .....	249
Table 5.16: Distribution of registered unemployed, unemployment benefit recipients and unemployment assistance recipients by educational attainment .....	217	Table 9.3: Regional differences: The share of registered unemployed relative to the economically active population, per cent .....	236	Table 11.5: The median age for retirement and the number of pensioners .....	250
Table 5.17: Outflow from the Register of Beneficiaries .....	218	Table 9.4: Annual average registered unemployment rate by counties, per cent .....	237
